

**Mission Statement**

*“... provide programs to assist its farm and family members and educate the general public of the needs and importance of agriculture.”*

**Stanislaus County Farm Bureau and our partners present:**

**Dairy Business Education Forum**

**Friday, February 26, 2010**

**1:00 PM**

**Stanislaus County Ag Center  
3800 Cornucopia Way – Room DE  
Modesto, CA**

The second in a series of educational forums designed to help our farmers and ranchers in Stanislaus County and our neighboring counties acquire knowledge and resources to increase their agricultural operations' viability in challenging times.

*Featuring:*

**Mr. Sean Haynes  
Vice President – Agribusiness  
Rabobank NA**

***“The use of Hedging and Risk Management in the dairy industry”  
Part II – Vocabulary and Hands-on application***

An interactive discussion of the fundamentals, vocabulary and hands-on applications of a very complex subject that can influence your business every day.

**Please RSVP to the Stanislaus County Farm Bureau office at (209) 522-7278 by  
Thursday, February 25, 2010.**

*A collaborative effort of the University of California Cooperative Extension, CSU Stanislaus Agriculture Studies Department, Modesto Jr. College Agriculture & Environmental Science Department, Nationwide Agribusiness and the Stanislaus County Farm Bureau*
