It is with great sadness that I report the passing of Marie Harter, our long time secretary at the University of California Cooperative Extension in Stanislaus County. Marie was tragically killed in an automobile accident. Marie was an integral part of our Cooperative Extension family for over 18 years. She was the one who likely answered the phone, greeted you at the window when you came to our office and did so many things that kept our office running smoothly and served our clientele so well. Marie has three grown children, one grandchild and two grandchildren on the way. As you can imagine, this is a time of tremendous sorrow and we offer our deepest condolences to her family and to those who knew her well.
