Inquiries regarding ANR's nondiscrimination policies may be directed to Linda Marie Manton, Affirmative Action Contact, University of California, Agriculture and Natural Resources, 2801 Second Street, Davis, CA 95618, (530) 750-1318.

FIELD MEETING

Identifying and Managing Bot Dieback in Walnuts

Thursday, August 21, 2014
10:30 a.m. – 12:00 p.m.

Barton Ranch, 22398 McBride Road, Escalon

Walnut dieback caused by the fungal pathogen *Botryosphaeria* ('Bot' for short) has attracted much attention in recent years and is the subject of very intensive research efforts by UC scientists. This meeting will feature Dr. Themis Michailides, UC's Bot expert from Kearney Agricultural Research and Extension Center. The focus will be on identifying Bot symptoms in the orchard and current suggested treatment options for affected orchards.

Please RSVP to Kathy's secretary, Marie, by calling (209) 525-6800 or send an email to mlharter@ucanr.edu.
