March 1, 2019

Good afternoon

Our University of California Cooperative Extension Tree & Vine IPM Breakfast meetings will begin again next Wednesday, March 6. These informal discussions focus on real-time insect and disease issues and their management. They are held every first and third Wednesday morning from March through June from 7:00 a.m. – 8:00 a.m. at the Old Mill Café, 600 9th Street in Modesto. One hour of continuing education credit is offered at each meeting. There is no charge – just buy your own breakfast and tip the waitress! If you have questions or would like to sponsor the \$45 fee for CE credits, please call our office at 209-525-6800.

Best wishes,

Roger Duncan
Pomology Advisor and Director
