

San Joaquin Valley Spray Application Short Course

November 12-14, 2019

Kearney Agricultural Research and Extension Center
9240 S Riverbend Ave., Parlier, CA

Register Now!

Objectives/Goals

Join us for an intensive 3-day short course on spray application research and extension. Learn to improve agricultural productivity while reducing the impact of pesticides and other agricultural chemicals on the environment and gain knowledge of best practices for safe, economical and environmentally sound pesticide spray application.

Who Should Attend

Anyone involved with spray application operations, including supervisors, vineyard or orchard managers, growers, owners, and PCA's.

Registration

Early Bird:
\$750 before Oct. 22

Regular:
\$800 from Oct. 22 to noon on Nov. 7

Late:
\$850 after noon on Nov. 7

Become a Sponsor

Sponsorship Levels:
Gold - \$1000+
Silver - \$750
